Description:

Modern design for a new age of Southern living.

Combining the rich traditions of the past with the sensibilities of contemporary life, interior and garden designer James Farmer of Perry, Georgia, is unapologetically Southern.

Tour eleven diverse homes in the deep South—makeovers, remodels, and new construction—as James Farmer brings together a cultivated mix of high and low, storied and new, collected and found; presenting them all as a thoughtfully exhibited array of taste, style, good architecture, and interior comfort. Woven alongside

beautiful photography are personal stories James shares about living in the South, the people in his life, and how he fell in love with a career of making houses into homes.

A beautiful book to inspire Southern style at home—infusing the new with antique, vintage, and heirloom pieces.

James Farmer is the author of *A Time to Plant, A Time to Cook, A Time to Celebrate, Porch Living, and Dinner on the Grounds*. His company, James Farmer Inc, is a full-service design company, including interiors and landscape. He lives in Perry, GA.

Emily Followill's photography has been featured in her own book, *Southern Rustic Cabin*, as well as several previous James Farmer books and magazines including *Veranda* and *Garden & Gun*. She lives in Atlanta.
