Description:

Designed for Criminal Investigation courses, this thoroughly revised and updated Fourth Edition integrates criminal investigation with forensic science and legal foundations. It provides an in-depth look at the investigative process as well as the ethical considerations that apply. Discussions on investigative procedures, detailed figures, and real-life examples enhance the reader's understanding and demonstrate how to effectively apply the techniques and tools presented. This ideal resource covers all aspects of criminal investigation pertaining to all types of crimes, not just homicide. It contains chapters on assault, aggravated assault, sexual assault, robbery, theft, burglary, arson, terrorism, cybercrime, and more. The integrated and accessible approach of the Fourth Edition will provide the reader with a solid foundation in criminal investigation techniques

and procedures, as well as the applicable forensic and constitutional considerations. Criminal Investigation, Fourth Edition can be bundled with these online lab manuals and workbook, that along with the student companion website, provide your students with a solid foundation in criminal investigation. Ask your sales representative for discount bundle pricing and ISBN information. - Criminal Investigation Workbook, by Aric Dutelle -Basic Laboratory Manual for Forensic Science, by Ann Wolbert Burgess -Laboratory Manual for Criminalistics and Forensic Science, by Sherry T. Brown Key Features: -Chapters have been reorganized, and some combined, to include new up-to-date and relevant material. -Readers will learn how investigations are connected to a team that is much larger than those charged with the investigation of the crime, which includes first responders, forensic personnel, and prosecutors.
