Description:

Develop ten essential management skills.

With an emphasis on self assessments, *Developing Management Skills* gets readers involved in the learning experience, helping them connect the theories to their own lives. Further, this text focuses on developing the ten essential skills needed for success and gives readers tangible goals to work towards.

Based on suggestions from reviewers, instructors, and students, a number of changes—including new skill-assessments and cases, and updated research—have been incorporated in the eighth edition.
