Description:

NO FEAR / NO STRESS / MORE A'S / MORE FUN

While *Kick Ass in College* is irreverent and laugh-out-loud funny, Gunnar Fox is out for more than his readers' laughter: he wants their full attention and commitment to his "kick-ass" study techniques and life strategies.

In addition to providing a blueprint for classroom success and preparing students for the highly competitive job market that awaits them, this instant college classic tackles relationships, substance abuse and many other real-world issues, all with Gunnar's trademark combination of raucous humor

and bone-chilling candor.

What will students take away from *Kick Ass in College*?

- A unique success toolbox bursting with underground secrets and guerrilla study tactics they won't learn anywhere else
 - The techniques for relating to faculty and staff they must learn to get the edge in the ultra-competitive, sink-or-swim college environment
 - The know-how and deep motivation to make every day in the classroom a steppingstone to the career of their dreams
