Description:

Discover the historical importance of religion in the world's cultures

Closely edited for clarity and readability, and conceived for students with little or no background in the academic study of religions, *Religions of the World* offers the most up-to-date and historically accurate coverage of the world's major religions. It not only explains to students why it is imperative to study religions, but does this through the support of primary source documents, coverage of religions as they exist today, and integrated media resources.

In preparing the twelfth edition of Religions of the World, Mark Woodward drew on his introductory teaching experience – to thousands of undergraduates over the last decade – and his living / working experiences in Asian Christian, Buddhist, Confucian and Muslim societies for extended periods. He continues to stress the importance of religion in the world’s cultures, and the need to promote harmony and understanding among people of different faiths.

Teaching and Learning Experience

Personalize Learning - MyReligionLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.

Improve Critical Thinking - Outstanding student pedagogy and Religion and Violence boxes encourage students to examine their assumptions, discern hidden values, evaluate evidence, assess their conclusions, and more!

Engage Students - Religions of the World provides undergraduate students with a relevant text written at a level they can understand, and explains religious diversity and complex themes within context of real people and real life.

Support Instructors - Teaching your course just got easier! You can create a Customized Text or use our Instructor’s Manual, Electronic “MyTest” Test Bank or PowerPoint Presentation Slides. Plus, Religions of the World’s coverage is both comprehensive and broad enough that you can choose which religions you want to cover, and not find it necessary to use handouts, course packs, or supplemental texts.
