### Description:

**Review** "A new, strongly unique voice in the dark fantasy genre."

-Kim Harrison

"Hunter's very professionally executed, tasty blend of dark fantasy, mystery, and romance should please fans of all three genres."

-Booklist

**From the Back Cover** *Last year, Jane nearly lost her life taking down a deadly family of vampires who preyed on the helpless populace. Now, after months of recuperation, she's back and ready to*

*fight again. Except this time, she's been hired by those she's trained to kill - vampires.*

Jane Yellowrock is the last of her kind--a skinwalker of Cherokee descent who can turn into any creature she desires--and hunts the undead for a living. But now she's been hired by the Katherine Fonteneau, one of the oldest vampires in the New Orleans, and the madam of Katie's Ladies, to hunt down a powerful rogue vampire who's killing other vamps.

Amidst a bordellos of real "ladies of the night" and a hot Creole biker with a panther tattoo who stirs her carnal desire, Jane must stay focused and complete her mission ... or else the next skin she'll need to save may be her own.
