#### **Description:**

**From the Inside Flap** Everyone gets a blemish now and then. But for some, acne is a way of life. Acne sufferers spend millions of dollars in their desperate hunt for a solution. Often they turn to incomplete over-the-counter remedies or even prescription drugs with dangerous side effects.

Now, there is a cure.

*The Acne Cure* describes a revolutionary, proven treatment program that, in no more than 6 weeks, eliminates acne in 95 percent of all cases--even the most severe ones. You will see dramatic results in as little as 24 hours!

*The Acne Cure* is the only book ever to offer a comprehensive, safe, rapid, and almost universally successful method of eliminating acne without prescription drugs, without side effects, without shifts in lifestyle or eating habits, and at little cost.

Whether you're a teenage girl embarrassed to date because of her complexion, or a woman who feels her face is disfigured by acne; whether you're a boy with pimples, or a mature man for whom shaving is torture because of the bumps and lesions of the disease; whether you're White, Black, Hispanic, or Asian, this program is for you. Using the simple, in-home Acne Cure protocol, you can now get rid of your acne--once and for all.

#### YOU WILL LEARN:

The simple, step-by-step program to eradicate even the most difficult acne

The ideal cure for any age or skin type

The real story of acne: what it is, how it spreads, and what is just a myth

The scientific proof behind the Acne Cure program

Which vitamins and antioxidants help your skin

What really works to eliminate razor bumps in men

How stress affects acne and what to do about it

The best ways to deal with the really tough acne problems

How to eliminate acne scars

In only a few minutes a day, in no more than 6 weeks--and often much sooner--your skin will be healthy, vibrant, and acne-free. Better still, when you follow the simple, inexpensive program outlined in this book, chances are your acne will not return. Even if it does, you'll have no trouble eliminating all traces of it again promptly.

From now on, you never need worry about acne again. Say good-bye to pimples and hello to clear skin.
