About the Author Like most authors I began writing at an early age, elementary school to be exact.

Until recently I only circulated my work amongst family members. Writing, for me, is a way to vacation. However, taking those writing vacations only happen on rare occasions since I have 3 very active children who keep me on my toes. Most times you can find me online at night researching and writing, while enjoying smooth jazz, 80's alternative, neo-soul and old school R&B. I love getting feedback from people whether they enjoy my writing or not so please drop me a line. Visit my website at niafoxx.com
