Description:

Review 'One of the best erotic romances I've ever read' -- All About Romance 'Kery gives readers beautifully written prose with amazingly descriptive sex scenes... The well-crafted characters are full of raw emotions that are right on the page for the reader to experience' -- Romantic Times 'The erotic scenes Beth Kery crafted for Niall and Vic are nuclear-grade hot' -- USA Today Happy Ever After blog

From the Author Wicked Burn will always hold a fond place in my heart, not just because it was my first New York published book, but because the characters became so real and fleshed out for me as I wrote the book. Sometimes, it seems as if Vic Savian is a real person when I think of him in my mind.
